

RECOMMENDED ATTRIBUTES FOR FULFILLING EACH STATION

Communications (COM)

- Good verbal skills
- Remains calm under pressure
- Multi-task oriented
- Prioritize tasks

Data (DATA)

- Strong math and computer skills
- Latitude and longitude knowledge

Probe (PROBE)

- Hands-on learner
- Good problem-solver
- Excellent communication skills
- Works well with others

Navigation (NAV)

- Strong math and science skills (esp. coordinate planes)
- Works well on a team
- Excellent critical thinker

Isolation 1, 2 and 3 (ISO)

- Enjoys working with robotics
- Definite hands-on learner
- Patient and works well under pressure

Life Support (LS)

- Science oriented student
- Enjoys hands-on experiments
- Works diligently and carefully
- Enjoys research and analyzing data

Medical (MED)

- Science oriented student
- Enjoys hands-on experiments
- Works well with others
- Enjoys research and analyzing data

Remote (REM)

- Science oriented student
- Enjoys hands-on experiments
- Works diligently and carefully
- Enjoys research and analyzing data
- Able to work in glovebox and use robotics
